

Across the Room (feat. Leon Bridges)

ODESZA

Da, da, da, da
Da, da, da, da Look across the room
Baby, she got that glow
I know you see me over here
So dance on me real slow
We've been going for about 2 hours
And I don't even know your name
So baby, please reveal
Reveal
Your friends are calling you
But baby, stay with me instead
I know you're saying that you're tired
Even if I go
I still think of you in my bed
Of a good time
Good time, good time we had Da, da, da, da
Da, da, da, da The scent of your perfume
Got me lost in a haze
All this moment depends
On the records the DJ plays
Baby, move a little bit closer
Cause I wanna feel you, babe
I wanna feel you, babe
Your friends are calling you
But baby, stay with me instead
I know you're saying that you're tired
Even if I go
I still think of you in my bed
Of a good time
Good time, good time we had
