

Don't Lose Me

Offset

[Intro]

And I apologize, you know what I'm sayin'? Breaking your heart, breaking our promise,
breaking God's promise, and being a, a, selfish and messed up husband, you know what I'm
sayin'? I'm, I'm tryn- I'm tryna be a better person. I wanna get this off-

Give a little game

Buy a new chain

Put in that thang

Blow out the brains[Verse 1]

Drip a little stain on 'em

Put a little game on 'em

Fuck around and put a ring on 'em

You beat it out the frame, don't you? (I'ma beat it)

I told her come and rain on me

You know everybody at the game don't you?

On the microphone, you can sing on it

You done put it on me, I done put your name on me

Just don't switch up (Switch)

Need you in the picture (Who?)

There when you look up

Put her in the thrower, I done gave a girl hiccups

I don't really know any bitches that can keep up

Coolin' on the boat, in the 'yo, I really miss her

I really miss her

Demons in my soul got issues (Demons)

Bought a Birkin and the price vicious (Bought a Birkin)

I'm a genie and I'm grantin' wishes (Genie)

Only for the Mrs. (Mrs.)

Target on my back, they on a mission (Pow)

Baby when I talk you gotta listen (Shh)

First time I seen the Patek glisten (Glisten)

They did not believe the vision (Believe)

Hoppin' out the V, expensive (The V)

Gotta learn to bob and weave the bitches (Bob and weave)

When I kick it with my seeds, I kiss 'em

[Chorus]

You told me, "Don't use me"

(Don't use you)

KK, all beauty (KK)

When I'm lookin' down at her, it's you and me

She told me, "Don't lose me"

Don't lose me

She told me, "Don't lose me"

Don't lose me
She told me, "Don't lose me"
[Verse 2]
I like your tone (Tone)
Why you ain't picking up the phone? (Phone)
I would like it if you came and tagged along (Tagged along)
I'm the king, let me put you on a throne (Throne)
She got the big diamonds, they grown (Grown)
I'm sorry, let me come on home (Come home)
She said "Put down the styrofoam"
I'm boarding on the jet, comin' home
Truth be told, you gold (Gold)
She had a Patek Phillipe it was cold
Put it in the mouth like you gettin' molds
I ain't do it for the clout or the trolls (Trolls)
Number one, it's a loyalty code (Number one)
Temptation, had the devil in my soul (Temptation)
I wanna be with you when we old (When we old)
We didn't do this, we didn't know how shit goes (We didn't know)
You bad, you a cutie
I love your attitude, moody
I love when you call a nigga stupid
I love that you're ratchet not boujee
I love your ass-shots it's a movie
When you leave by my side, I get woozy
When you on stage twerkin' in your two piece
Starin' on the ground, you know you amuse me [Chorus]
You told me, "Don't use me"
(Don't use you)
KK, all beauty (KK)
When I'm lookin' down at her, it's you and me
She told me, "Don't lose me"
Don't lose me
She told me, "Don't lose me"
Don't lose me
She told me, "Don't lose me"
