

Goodnight Moon

Lee Foss & MK

Let's see...

Let's say goodnight to everybody

Goodnight moon. You say it
Goodnight moon

There you go. Goodnight stars
Goodnight stars

Goodnight po-po's
Goodnight po-po's
Goodnight fiends
Goodnight fiends

Goodnight hoppers
Goodnight hoppers

Goodnight hustlers
Goodnight hustlers

Goodnight scammers
Goodnight scammers

Goodnight to everybody
Goodnight to everybody

Goodnight to one and all
Goodnight to one and all
