

Sun Models (feat. Madelyn Grant)

ODESZA

Uh, love, waiting for love
Uh, love, I'm waiting for love, love, love
I'm waiting daily, uh, love, love
Why you here, why you break down? I'm waiting for, uh love, oh
I'm waiting daily, uh, love, oh
I'm waiting for, uh love, oh
I'm waiting daily, uh, love, oh
I'm waiting for, uh love, oh
I'm waiting daily, uh, love, oh
