

Nobody 'Til You

Lindsay Lohan

[Verse 1]

I never walked on water
Never saw a reason to be going out that far
I never found a star that made a wish
But now the sky is listening to my heart

[Pre-Chorus]

They can break me, make me
If they want, they can chase me
Love me, hate me
I don't care anymore

[Chorus]

Till you, I was nothing but lonely nights
There was nothing but sad goodbye's
For me to fall through
Come true my dreams are awakening
Somebody's making me
The only one in the room
What nobody could do
Nobody till you
Nobody till you

[Verse 2]

And the more you talk, the less I fear
No matter what you say, we are still in the same hemisphere
And there's comfort in just knowing that
Wherever I go, a part of me is staying here with you

[Pre-Chorus]

So take me shake me
If you want you can chase me
Love me for me and stay away from the door

[Chorus]

Till you, I was nothing but lonely nights
There was nothing but sad goodbye's
For me to fall through
Come true my dreams are awakening
Somebody's making me

The only one in the room
What nobody could do
Nobody till you

[Bridge]

What kind of world would it be if you ever went away?
Oh, and I, I can't go back to what I had
'Cause it will never be the same

[Chorus]

Till you, I was nothing but lonely nights
There was nothing but sad goodbye's
For me to fall through
Come true my dreams are awakening
Somebody's making me
The only one in the room
What nobody could do
Nobody till you...

[Chorus]

Till you, I was nothing but lonely nights
There was nothing but sad goodbye's
For me to fall through
Come true my dreams are awakening
Somebody is making me
The only one in the room
What nobody could do
Nobody till you...
Nobody 'til
Nobody 'til you
There were lonely nights
'Til you
There were sad goodbyes
Come true
I'm awakening
You're shaking me
Nobody knew what to do
Nobody 'til
Nobody 'til you
