

# Run This

## Rob Bailey & The Hustle Standard

Take the bodies out, call the ambulances  
I'm done giving first and second fucking chances  
I'm a killer, I'm a kill it, I'm a kill it  
I'm a killer, I'm a kill it, I'm a kill it

Right after day, after night  
I work hustle kill and I fight

Might as well give the thrown that you inherit  
While you're at it give me your badge cuz I'm the sheriff

Everybody back up  
I run this, I run this, I run this  
I'm bigger than a mack, mack, mack, mack, mack truck  
I run this, I run this, I run this, I run this, I run this  
I run this

Some people are walking blind  
And other people fall in line  
But I'm too busy chasing mine  
To let the world leave me behind  
I'm going for mine

Getting to the top is just a matter of time  
Until I get mine  
Never looking back cuz I'm on my grind  
I'm going for mine

Take the bodies out, call the ambulances  
I'm done giving first and second fucking chances  
I'm a killer, I'm a kill it, I'm a kill it  
I'm a killer, I'm a kill it, I'm a kill it

Everybody back up  
I run this, I run this, I run this  
I'm bigger than a mack, mack, mack, mack, mack truck  
I run this, I run run run this, I run, I run this, I run, i run run run run run this, I run, i run this,  
run run run, i run this

I'm about to tear it up, now

I'm about to tear it up  
I'm about to tear it up now

(Everybody back up)

I'm about to tear it up, now  
I'm about to tear it up  
I'm about to tear it up, now

(Everybody back up)

I run this, I run that  
I run this, I run that  
I run this, I run that  
I run this

(Everybody back up)

Everybody back up  
I run this, I run this, I run this  
I'm bigger than a mack, mack, mack, mack, mack truck  
I run this, I run this  
Everybody back up  
I run this, I run this, I run this  
I'm bigger than a mack, mack, mack, mack, mack truck  
I run this, I run this
