

Aha!

Imogen Heap

La la la la, La la la la, La la la la, La la la
La la la la, La la la la, La la la la la Eat, sleep, breathe it
You're full of the stuff
Go bag it, tie it up tight
Wheat, meat, dairy free, t-total happy-clappy
High on life
You should try it you know Go on while no one's looking Aha! Gotcha now
Caught red handed in the biscuit tin
Cost you to keep me quiet
Golden boy boots
Pocket pedal stool
Picking sharp smart moves
Plastic, tin can, paper separator
Busy bee wave, wave save the planet flag
But sneaky in suburbia Aha! Candid camera
Hook, line and sinker
For the four-wheel drive
Cost you to keep me quiet
Keep me quiet (keep me quiet) Nicest, sweetest
Upmost in everythingest
So charming, very charming
Well read, can play the fool
No one's ill at ease
And put their deepest Swiss bank trust in you
No one saw it coming
Aha! Aha! Aha!
You killed a man
Cost you to keep me quiet Oi!
