

Booty Loose (feat. Fly Boi Keno)

Party Favor

Bend and make your booty loose, that booty loose
Bend and make your booty loose, that booty loose
Bend and make your booty loose, that booty loose
Bend and make your booty loose, that booty loose

Bend and make your booty loose, show me what this booty do
Show me what this booty do
Get loose with it
Get loose with it
You're too smooth with it
You're too smooth with it
Get loose with it
Get loose with it
You're too smooth with it
You're too smooth with it

Bend and make your booty loose, that booty loose
Bend and make your booty loose, that booty loose
Bend and make your booty loose, that booty loose
Bend and make your booty loose, that booty loose
Get loose with it
Get loose, loose with it, with it
Get loose with it
Get loose, loose with it, with it
Get loose with it
Get loose, loose with it, with it
Get loose with it
Show me what this booty do
Get loose with it
Get loose with it
You're too smooth with it
You're too smooth with it
Get loose with it
Get loose with it
You're too smooth with it
You're too smooth with it
Get loose with it
Get loose with it
You're too smooth with it
You're too smooth with it
Get loose with it
Get loose with it
You're too smooth with it
