

Living In America

James Brown

Yeah, uh! Get up, now!
Ow! Knock out this! Super highways, coast to coast
Easy to get anywhere
On the transcontinental overload
Just slide behind the wheel
How does it feel When there's no destination that's too far
And somewhere on the way
You might find out who you are Living in America
Eye to eye, station to station
Living in America
Hand to hand, across the nation
Living in America
Got to have a celebration
Rock my soul
Smokestack, fatback
Many miles of railroad track
All night radio, keep on runnin' through
Your rock 'n' roll soul
All night diners keep you awake, hey
On black coffee and a hard roll You might have to walk the fine line
You might take the hard line
But everybody's working overtime Living in America
Eye to eye, station to station
Living in America
Hand to hand, across the nation
Living in America
Got to have a celebration I live in America, help me out
But I live in America
Wait a minute
You might not be looking for the promised land
But you might find it anyway
Under one of those old familiar names
Like New Orleans (New Orleans)
Detroit City (Detroit City), Dallas (Dallas)
Pittsburgh P.A. (Pittsburgh P.A.)
New York City (New York City)
Kansas City (Kansas City)
Atlanta (Atlanta)
Chicago and L.A. Living in America - hit me
Living in America - yeah
I walk in and out
Living in America I live in America - state lines

Gonna make the prime, that
I live in America - hey
I know what it means, I Living in America
Eddie Murphy, eat your heart out
Living in America
Hit me, I said now
Eye to eye, Station to station
Living in America
So nice, with your bad self
Living in America - I feel good!
