

Megalomaniac

KMFDM

[German vocals:En Ensch]

Die wunder dieser welt werden dir geschenkt
Glück ist nicht käuflich sehnsucht bleibt unerreich
PreisrÄtsel winken nimmersatt
Kein mitleid für die mehrheit
Kein mitleid für die mehrheit

Nihilistic mystics
Apostolic Alcoholics
Messianic Manics
Cataclysmic and Prolific

In the age of super-boredom
Hype and mediocrity
Celebrate relentlessness
Menace to society

This is counter-culture from the underground
Eternal revolution this is our sound
KMFDM better than the best
Megalomaniacal and harder than the rest

Refuse is our inspiration
Terrorism our trade
Sabotage and piracy
Chaos our mental state

Mesmerizing festering
Intended for the faint of heart
Cultish and Anthemic
Until death us do part

This is counter-culture from the underground
Eternal revolution this is our sound
KMFDM better than the best
Megalomaniacal and harder than the rest

[German vocals:En Ensch]

Wenn der untergrund beb't ist die ordnung erschüttert
Der verrat an der seele macht leben ungesund

Mit unschlagbaren reimen werden wir uns vertreiben
Die zeit der langen weile bis zum grossen bums

Like a fiendish tropic virus
Spitting bile at all you whores
Razor-sharp tongue-in-cheek
Poking in your open sores

A wolf in sheep's clothing
The ultimate disgrace
Wrapped up as a gift of god
Exploding in your face

This is counter-culture from the underground
Eternal revolution this is our sound
KMFDM better than the best
Megalomaniacal and harder than the rest

Refuse is our inspiration
Terrorism our trade
Sabotage and piracy
Chaos our mental state

In the age of super-boredom
Hype and mediocrity
Celebrate relentlessness
Menace to society

This is counter-culture from the underground
Eternal revolution this is our sound
KMFDM better than the best
Megalomaniacal and harder than the rest

Megalomaniacal
Megalomaniacal
Megalomaniacal
Better than the best and harder than the rest
