

Spit

Kittie

Coward!

Spit!

I think I'll spit! For all those girls who speak contradiction

The guy who crept through the shadows every day

To clutch his own conclusion

Watch all the blood

As it drips from your veins

You coward

Godspeed

May your death come quickly

I think I'll take this hate and

Spit!

Spit!

Spit! Now as it's passed onto the next one

I feel a bloodrush come right over me

You know you will never be right in the eyes

Of the ones who know

You trusted the devil

And she will betray you Low.

Why do I get sh*t!

All the time!

From you* men!

You are swine!

You think dick is the answer

But it's not!

Why do I get sh*t!

All the time!

From you* men!

You are swine!

You think dick is the answer

But it's not!
