

Your Song

Elton John

It's a little bit funny
This feeling inside
I'm not one of those who can easily hide
Don't have much money but boy if I did
I'd buy a big house where we both could live
If I was a sculptor
Ha
But then again no
Or a man who makes potions in a traveling show
I know it's not much but it's the best I can do
My gift is my song and this one's for you
And you can tell everybody
This is your song
It may be quite simple but now that it's done
I hope you don't mind
I hope you don't mind
That I put down in words
How wonderful life is while you're in the world
I sat on the roof and kicked off the moss
Well a few of the verses well they've got me quite cross
But the sun's been quite kind
While I wrote this song
It's for people like you that keep it turned on
So excuse me forgetting
But these things I do
You see I've forgotten if they're green or they're blue
Anyway the thing is what I really mean
Yours are the sweetest eyes I've ever seen
And you can tell everybody
This is your song
It may be quite simple but now that it's done
I hope you don't mind
I hope you don't mind
That I put down in words
How wonderful life is while you're in the world
I hope you don't mind
That I put down in words

How wonderful life is while you're in the world
