The Failure Epiphany
Sick Fuck
You fucking scum
I want to make you bleed
You fucking scum
Get down on your knees
You fucking scum
How dare you reject me?
You fucking scum
How dare you look at me?
You fuckin scum
You make me fucking ill
You fucking scum
You make me want to kill
You fucking scum
You're nothing more than shit
You fucking scum
Take your final hit!
You sick fuck
I want to murder you
You sick fuck
I want to destroy you
You sick fuck
I want to ravage you
You sick fuck
I want to tear you down
