

# This Too Shall Pass (J. Arthur Keanes Band Remix)

## OK Go

You know you can't keep letting it get you down  
And you can't keep dragging that dead weight around  
If there ain't all that much to lug around,  
Better run like hell when you hit the ground  
When the morning comes  
When the morning comes  
Can't stop those kids from dancing but why would you want to  
Especially when you're already getting good?  
'Cause your mind don't move and your knees don't  
bend  
But don't go blaming the kids again  
When the morning comes  
When the morning comes  
When the morning comes  
When the morning comes  
When the morning comes  
Let it go  
This too shall pass  
Let it go  
This too shall pass  
(Let it go, this too shall pass)  
You know you can't keep letting it get you down  
No, you can't keep letting it get you down  
(Let it go, this too shall pass)  
Oh, is it really all that much to lug around  
And you can't keep letting it get you down  
When the morning comes  
Oh, you can't keep letting it get you down  
No, you can't keep letting it get you down  
(When the morning comes)  
Oh, you can't keep letting it get you down  
No, you can't keep letting it get you down  
(When the morning comes)  
Oh, you can't keep letting it get you down  
No, you can't keep letting it get you down  
(When the morning comes)  
Oh, you can't keep letting it get you down  
No, you can't keep letting it get you down  
(When the morning comes)  
Oh, you can't keep letting it get you down  
No, you can't keep letting it get you down  
(When the morning comes)
