

Disconnected (feat. Cautious Clay)

Tayla Parx

[Verse: Tayla Parx]

Sorry I can't hear you, baby

Is there a miscommunication?

Everything's lost in translation

'Cause I never said it, no, this is nothing like I was

Now even I got bad reception

Or maybe a bad recollection

Love's the biggest misconception

You never know it ain't the one you wanted after all

[Pre-Chorus: Taylor Parx]

Did you say let's date or let's wait? (Wait)

Did you say we straight or we ain't?

Baby, it's like I'm catchin' every other word

And it feels, and it feels like I

[Chorus: Tayla Parx & Cautious Clay]

Disconnected, disconnected

I can't call you back (Oh, ooh, ooh)

Disconnected (Oh), disconnected (Oh, ooh)

I can't call you back (Oh, ooh, ooh)
