

# We'll Be Together

Sting

[Verse 1]

I see me with you and all the things you do  
Keep turning round and round in my mind  
Forget the weather we should always be together  
And any other thought is unkind

[Chorus 1]

To have you with me I would swim the seven seas  
To have you as my guide and my light  
My love is a flame that burns in your name  
We'll be together We'll be together tonight

[Chorus 2]

We'll be together, yeah[x3]

[Verse 2]

I see you with me and all I wanna be  
Is dancing here with you in my arms  
Forget the weather we should always be together  
Always be a slave to your charm

[Chorus 1]

[Chorus 2]

[Bridge]

Call me baby. You can call me anything you want  
Call me baby Call me Just call me

[Verse 3]

I see you with me and baby makes three  
I see me with you and all the things we do  
Forget the weather we should always be together  
I need you as my guide and my light  
My love is a flame that burns in your name  
We'll be together We'll be together tonight

[Chorus 2][x3]
