

Going Wrong (Mix Cut) [feat. Chris Jones]

Armin van Buuren & DJ Shah

Yeah, I keep dreaming
That I have it all
I'm always waiting
For that something more I'm still craving
To have you by my side
I know our love is fading
But soon it will shine And I can't see today
And I can't see tomorrow
You're burning out my head
And in my brain it's going wrong And I will live today
And I will live tomorrow
No matter what is said or done
Even if it's going wrong
Even if it's going wrong
Even if it's going wrong
You're burning out my head I keep searching
Forever in your eyes
I'll be careful
But soon we will shine And I can't see today
And I can't see tomorrow
You're burning out my head
And in my brain it's going wrong And I will live today
And I will live tomorrow
No matter what is said or done
Even if it's going wrong
Even if it's going wrong
Even if it's going wrong
You're burning out my head Even if it's going wrong
You're burning out my head And I can't see today
And I can't see tomorrow
You're burning out my head And I can't see today
And I can't see tomorrow
You're burning out my head And I can't see today
And I can't see tomorrow
You're burning out my head And in my brain it's going wrong
And I will live today
And I will live tomorrow
No matter what is said or done
Even if it's going wrong
