

Check On It (feat. Bun B & Slim Thug)

Beyonce

Swiss beats

DC, Destiny Child (Slim Thug) You need to stop playing round with all them clowns and the wangstas

Good girls gotta get down with the gangstas

Go head girl put some back and some neck up on it

While I stand up in the background and check up on it Oooh boy you lookin' like you like what you see

Won't you come over check up on it, I might let you work up on it

Ladies let em check up on it, watch it while he check up on it

Dip it, pop it, twerk it, stop it, check on me tonight

If you got it, flaunt it, boy I know you want it

While I turn around you watch me check up on it

Oh you watchin me shake it, I see it in ya face

Ya can't take it, it's blazin, you watch me in amazement

You can look at it, as long as you don't grab it

If you don't go braggin, I'ma let you have it

You think that I'm teasin, but I ain't got no reason

I'm sure that I can please you, but first I gotta read you Oooh boy you lookin' like you like what you see

Won't you come over and check up on it, I might let you work up on it

Ladies let em check up on it, watch it while he check up on it

Dip it, pop it, twerk it, stop it, check on me tonight Oooh boy you lookin' like you like what you see

Won't you come over and check up on it, I might let you work up on it

Ladies let em check up on it, watch it while he check up on it

Dip it, pop it, twerk it, stop it, check on me tonight

I can tell you wanna taste it, but I'm gon' make you chase it

You got to be patient, I like my men patient

More patience, you take might get you in more places

You can't be abrasive, have to know to pace it

If I let you get up on it, you gotta make a promise

That you gon' put it on me, like no ones put it on me

Don't bore me, just show me, all men talk but don't please

I can be a tease, but I really wanna please you Oooh boy you lookin' like you like what you see

Won't you come over and check up on it, I might let you work up on it

Ladies let em check up on it, watch it while he check up on it

Dip it, pop it, twerk it, stop it, check on me tonight Oooh boy you lookin' like you like what you see
