

Black and Blue

New Found Glory

[Verse 1]

It's time to open your eyes
And wake up to the morning
Today calls out your name

[Chorus]

And i can never be the same
Without you
Ruining my life
That's what you seem to be the best at
Yeah, yeah, yeah
Being drowned...
That's more that i can say for everyone else

[Verse 2]

I can't sleep
Cause it's only four in the morning
I think i ran out of dreams

[Chorus]

And i can never be the same
Without you
Ruining my life
That's what you seem to be the best at
Yeah, yeah, yeah
Being drowned...That's more that i can say for everyone else

[Bridge]

How can you say that you love me?
When the world around you is changing
How can you say that you love me?
When it's only eleven-thirty

[Outro]

Ruining my life

That's what you seem to be the best at [x2]
