

# Blessed

Daniel Caesar

Everywhere that I go, everywhere that I be  
If you were not surrounding me with your energy  
I don't wanna be there, don't wanna be anywhere  
Any place that I can't feel you, I just wanna be near you And yes, I'm a mess but I'm blessed

To be stuck with you  
Sometimes it gets unhealthy  
We can't be by ourselves we  
We'll always need each other, and  
Yes, I'm a mess but I'm blessed  
To be stuck with you  
I just want you to know that  
If I could I swear I'd go back Make everything all better, whoa  
It's the things that you say  
It's the way that you pray  
Prey on my insecurities  
I know you're feeling me  
I know sometimes I do wrong  
But hear the words of this song When I go I don't stay gone for long  
Don't know what's going on And yes, I'm a mess but I'm blessed

To be stuck with you  
Sometimes it gets unhealthy  
We can't be by ourselves we  
We'll always need each other, and  
Yes, I'm a mess but I'm blessed  
To be stuck with you I just want you to know that  
If I could I swear I'd go back  
Make everything all better, whoa  
And I'm coming back home to you  
And I'm coming back home to you  
I'm coming back home  
I'm coming back home to you  
I'm coming back home  
I'm coming back home to you  
I'm coming back home  
I'm coming back home to you  
I'm coming back home I'm coming back home to you  
I'm coming back home  
I'm coming back home to you  
I'm coming back home And yes, I'm a mess but I'm blessed  
To be stuck with you  
Sometimes it gets unhealthy  
We can't be by ourselves we

We'll always need each other, and  
Yes, I'm a mess but I'm blessed  
To be stuck with you  
I just want you to know that  
If I could I swear I'll go back  
Make everything all better, whoa
