

Head

Tin Star

[Verse 1]

Sometimes I wake up in the morning my feet my soul my arms my legs my eggs are all fried
I've got to do my exams today I've read my books turned up on time but I haven't revised

[Chorus]

I'm not getting along
I'm not getting the answers
I'm not getting along
I'm not getting along
I'm not getting the answers
'Cos I can't get out of my head

[Verse 2]

In the night sometimes I wake up uncool uptight
I'm tired of being tired but in my dreams my arms are open wide
I open up my eyes open up my eyes but everything is dark
I think I'm blind
I think I'm blind
(I think I'm blind)

[Chorus]

I'm not getting along
I'm not getting the answers
I'm not getting along
(Too dumb to use the phone)
I'm not getting along
I'm not getting the answers
'Cause I can't get out of my head

[Refrain]

No, I can't get out of my head
No, I can't get out of my head

[Bridge]

This profession is my obsession
And this obsession is my depression
And this depression is my release
And this release will never cease

[Refrain]

No, I can't get out of my head
No, I can't get out of my head

[Outro]

I get my head, heh, uh, hey!
(Can't get out of my head)
Yeah, sometimes uncool, uptight
In my dreams my arms, myself is open wide
(Can't get out of my head)
(Can't get out of my head)
I'm not dumb use the phone
