

Electronic Stereophonic

Showtek

Right now, take me to the stage I long to be
Take me all the way

Crush that drumbeat, electronic, stereophonic
[6x]

Electronic, stereophonic [2x]

Right now, take me to the stage I long to be
Take me all the way

Crush that drumbeat, electronic, stereophonic

Right now, take me to the stage I long to be
Take me all the way

Smash it up now, crush that drumbeat

Make us fucking pay

Electronic, stereophonic [7x]
