

Dead As Yesterday

Zakk Wylde

It'll leave you with nothin' to say
Lost without a way...
Ain't it funny child
Love sometimes leaves you
As dead as yesterday

Hoping to hold a handful of sunshine
Like a child told it cannot play, whoo
Never ever figured Lord
Love would leave me feeling
As dead as yesterday, yeah

Whoo-who-who, Whoo-hooo, Whoo-hooo-oo
(repeat)

Oh Lord could you help me find some shelter?
(repeat x4)

Yeah, well it'll leave you feeling hollow & helpless
And there, is where you'll stay... he-heh
Ain't it funny child?
Love sometimes leaves you
As dead as yesterday... (x3)

Whoo-who-who, Ahh-haa, Whoo-hooo-oo
Yeah... Ohh, Whoo-hoo-hoo
Ahh-haa-haah-Ahh-haa-who-whooh
