

Twilight Galaxy

Metric

Did they tell you you should grow up
When you wanted to dream
Did they warn you, better shape up
If you want to succeed
I don't know about you
Who are they talking to
They're not talking to me I'm higher than high
Lower than deep
I'm doing it wrong
Singing along I'm higher than high
Lower than deep
I'm doing it wrong
Singing along
Did I ask you for attention
When affection is what I need
Thinking sorrow was perfection
I will wallow til you told me
There's no glitter in the gutter
There's no twilight galaxy Go higher than high
Go lower than deep
Keep doing it wrong
Keep singing along Go higher than high
Go lower than deep
Keep doing it wrong
Keep singing along
I'm alright, come on baby
I've seen all of the demons that you've got
If you're not alright, now come on baby
I'll pick you up and take you where you want
Anywhere you want
Anywhere you want
Anywhere you want
Anything you want I'm higher than high
Lower than deep
I'm doing it wrong
Singing along Go higher than high
Go lower than deep
Keep doing it wrong
Keep singing along Go higher than high
Go lower than deep
Keep doing it wrong

Keep singing along I'm higher than high
