

# Eli's Coming

## Three Dog Night

Eli's comin'  
Eli's comin' (Eli's a-comin')  
Well, you better hide your heart  
Your loving heart  
Eli's a-comin', and the cards say  
A broken heart Eli's comin', hide your heart, girl  
Eli's comin', hide your heart, girl  
Girl, Eli's a-comin', you better hide  
Girl, Eli's a-comin', you better hide  
Girl, Eli's a-comin', you better hide  
Girl, Eli's comin', hide your heart, girl (Hide it)  
You better, better hide your heart  
Eli's comin', better walk  
Walk but you'll never get away  
No, you'll never get away from the burnin' a-heartache  
I walked to Apollo by the bay  
Everywhere I go, though  
Eli's a-comin' (She walked, but she never got away)  
Eli's a-comin' (She walked, but she never got away)  
Eli's a-comin', and he's comin' to get ya (She walked, but, she walked, but)  
Get down on your knees (She walked, but she never got away) Eli's comin' (Hide it, hide it, hide  
it)  
Girl, Eli's a-comin', you better hide  
Girl, Eli's a-comin', you better hide  
Girl, Eli's a-comin', you better hide  
Girl, Eli's comin', hide your heart, girl (Hide it)  
You better, better hide your heart  
Eli's comin', better walk  
Walk but you'll never get away  
No, you'll never get away from the burnin' a-heartache  
I walked to Apollo by the bay  
Everywhere I go, though  
Eli's a-comin' (She walked, but she'll never get away)  
Eli's a-comin' (She walked, but she'll never get away)  
Eli's a-comin', and he's comin' to get ya (She walked, but, she walked, but)  
Get down on your knees (She walked, but she'll never get away)  
Get down on your knees No-no, no-no  
Lord, I said no-no, no-no, no-no (Hide it) She can  
(Hide it) Hide it  
(Hide it) You better  
(Hide it) Somebody  
(Hide it) You got to

(Hide it) Oh, my  
(Hide it) Oh-oh-oh-oh-oh-oh
