Testing

Skegss

It's easy to fuck things up when you're young
Cause you say you'll never do it again but it's done
It's just as easy to fuck things up when you're old
Cause you think you know how it goes but you don't
It's easy to work it out and I'm tired
It's easy to work it out in your mind
Getting cold feet in the heat
It's fizzing you up inside

Always messing around
Always fucking up
Always messing about
And testing your luck
(x2)

It's easy to fuck things up when you're young
Cause you say you'll never do it again but it's done
It's just as easy to fuck things up when you're old
Cause you think you know it goes but you don't
It's easy to work it out and I'm tired
It's easy to work it out in your mind
Getting cold feet in the heat
It's eating you up inside

Always messing around
Always fucking up
Always messing about
And testing your luck
(x2)
