

Learn How to Watch (feat. Mac Miller & MadeinTYO)

Carnage

[Intro: MadeinTYO]

Skrrt, skrrt

Carnage! Ooh, oh [Chorus: MadeinTYO]

Jump out the top (skrrt skrrt, ooh)

Wrist on my watch (ooh, ooh)

Told her to stop (hey, yeah)

Learn how to watch (skrrt skrrt, yeah)

Learn how to watch (sauce, yeah)

Learn how to watch (ooh, uh)

Learn how to watch (wam, yeah)

Learn how to watch (wam, uh)

Stack up my guap (ooh, uh)

Weight in the pot (hey, uh)

Rubbin' the spot (skrrt skrrt, uh)

Learn how to watch (swag, yeah)

Learn how to watch (ooh, yeah)

Learn how to watch (ooh, yeah)

Learn how to watch (hey, ooh)

Learn how to watch (skrrt skrrt)

[Verse: Mac Miller]

Yeah, what it look like?

Little too much sauce, get it cooked right

I'm the same mothafucka, been the same mothafucka

With the mothafuckin' fame like Suge Knight, shit

Gotta make time

And it really ain't shit if it ain't mine

I'm a beast, I'm a dog, I'm a canine

See the way I make her go down like a bassline (yeah)

Back when I was just a youngin', didn't have any nothin'

Always up to somethin', started gettin' money

Now I'm off and runnin', way too wild to function, call it comin' up

And yeah I'm on the escalator, they be starin' at me

They the spectators and I'm player magic

I'm a ex-Laker, I'm a messmaker

I don't stress paper, I don't care who has it

[Chorus: MadeinTYO]

Jump out the top (skrrt skrrt, ooh)

Wrist on my watch (ooh, ooh)

Told her to stop (hey, yeah)

Learn how to watch (skrrt skrrt, yeah)

Learn how to watch (sauce, yeah)

Learn how to watch (ooh, uh)

Learn how to watch (wam, yeah)

Learn how to watch (wam, uh)

Stack up my guap (ooh, uh)

Weight in the pot (hey, uh)

Rubbin' the spot (skrrt skrrt, uh)

Learn how to watch (swag, yeah)

Learn how to watch (ooh, yeah)

Learn how to watch (ooh, yeah)

Learn how to watch (hey, ooh)

Learn how to watch (skrrt skrrt, ooh, ooh)
