

# Dancing Queen

Cher

[Intro]

You can dance, you can jive  
Having the time of your life  
Ooh, see that girl, watch that scene  
Digging the dancing queen

[Verse 1]

Friday night and the lights are low  
Looking out for the place to go  
Where they play the right music  
Getting in the swing  
You come to look for a king

[Verse 2]

Anybody could be that guy  
Night is young and the music's high  
With a bit of rock music, everything is fine  
You're in the mood for a dance

[Pre-Chorus]

And when you get the chance

[Chorus]

You are the dancing queen  
Young and sweet, only seventeen  
Dancing queen  
Feel the beat from the tambourine, oh yeah

[Post-Chorus]

You can dance, you can jive  
Having the time of your life  
Ooh, see that girl, watch that scene  
Digging the dancing queen

[Verse 23]

You're a teaser, you turn them on  
Leave 'em burning and then you're gone  
Looking out for another, anyone will do  
You're in the mood for a dance

[Pre-Chorus]

And when you get the chance

[Chorus]

You are the dancing queen  
Young and sweet, only seventeen  
Dancing queen  
Feel the beat from the tambourine, oh yeah

[Post-Chorus]

You can dance, you can jive  
Having the time of your life  
Ooh, see that girl, watch that scene  
Digging the dancing queen

[Outro]

Digging the Dancing Queen
