

Shake Me Down

Cage the Elephant

[Verse 1]

Shake me down, not a lot of people left around
Who knows now? Softly laying on the ground
Oooh not a lot of people left around oooh oooh

[Verse 2]

In my life I have seen people walk into the sea
Just to find memories plagued by constant misery
Their eyes cast down, fixed upon the ground
Their eyes cast down

[Chorus 1]

I'll keep my eyes fixed on the sun

[Verse 3]

Shake me down, cut my head on a silver cloud
Broken sound, softly laying on the ground
Oooh not a lot of people left around oooh oooh

[Verse 4]

In my past, bittersweet, there's no love between the sheets
Taste the blood, broken dreams, lonely times in deed
With eyes cast down, fixed upon the ground, with eyes cast down

[Chorus 2]

I'll keep my eyes fixed on the sun
Turn back now, it's time for me to let go
Way down, had to find a place to lay low
Lamp shade, turned around into a light post

[Bridge]

Walk around the corner, never saw it coming, still
I try to make a move it almost stopped me from belief
I don't want to know the future, I'm like Rolling Thunder
Even on a cloudy day
Even on a cloudy day
Even on a cloudy day
Even on a cloudy day
Even on a cloudy day
Even on a cloudy day

Even on a cloudy day

[Chorus 3]

I'll keep my eyes fixed on the-
I'll keep my eyes fixed on the-
I'll keep my eyes fixed on the sun

[Outro]

Shake me down, not a lot of people left around
Ooh ooh
