

Harlem

Jim Jones

[Intro]

Keep askin' me where the fuck I've been
Fuck is you the feds?
I'm around nigga, I'm a project nigga, made millions
Still ridin' around foreign cars smokin' gas
Niggas actin' like Cristal went out of style nigga
Money in it, go

[Verse 1: Jim Jones]

Same kid from the projects, 5H
Just flew by in the i8
Still do it for them niggas that buy weight
Used to get bricks off my face
And it feels like yesterday
We was in grandma's kitchen chefin' yay
The fiends went crazy when they got a taste
I flip a 62 then I copped an eighth
Is the bricks is the question
If the bricks is good I can stretch 'em
But the game a lil different right now
Cause the young niggas runnin' round juug and finessin'
Shit, like good is a blessin'
Four bad bitches that's good in my section
Shit I got one night in town
'Fore the sun comes up I be on to the next one

[Hook: Jim Jones + A\$AP Ferg]

I fucked your bitch in some Jordan flip flops
45k make the Aude' tic-tock
Cuttin' up bricks, puttin' raw in ziplocks
You in the game? Gotta score the big shots
I fucked your bitch in Adidas flip flops
45k yeah to heat up your block
Up in your chick, Netflix on the couch
Controllin' my hand with my dick in her mouth

[Verse 2: A\$AP Ferg]

Ain't a problem, I can do this everyday, aye
Fuckin' on your bitches and you know I'm finna hate, aye
I don't need a shovel, put that pussy in a grave, aye

I'm on another level, you can see it in my face, aye
He be cuffin' bitches like the Jakes, aye
Oh, this nigga a disgrace, aye
Need to kneel down and pray, aye
Send his ass to preacher Ma\$e, aye
Oh Lord I'm finna fuck a band up
Swaggin' so hard, fuck the 'Gram up
Capo in the city, call my man up
Headin' to Harlem, call Cam up
Fuck around and pull a pink ranger
I am so mystical danger
Fuck round and pistol will bang ya
Got more kick than Power Ranger

[Hook: Jim Jones + A\$AP Ferg]
I fucked your bitch in some Jordan flip flops
45k make the Aude' tic-tock
Cuttin' up bricks, puttin' raw in ziplocks
You in the game? Gotta score the big shots
I fucked your bitch in Adidas flip flops
45k yeah to heat up your block
Up in your chick, Netflix on the couch
Controllin' my hand with my dick in her mouth
