

Two of a Kind

Bobby Darin & Johnny Mercer

Two of a kind
For your information, we're two of a kind
Two of a kind
It's my observation, we're two of a kind
Just like peas in a pod
And birds of a feather
Alone or together, you'll find
That we are two of a kind
{Hey, hold up, wait Billy Billy, hold up
Billy, hold it for a second}
{Wait a minute, what are they playing your song for?
My song? Don't blame it on me
Oh, their playing our song
They certainly are, I think we got to do a standard job
Yeah, I think we outta get to work
Alright, Billy? William?}
