

Out In the Country

Three Dog Night

Whenever I need to leave it all behind
Or feel the need to get away
I find a quiet place, far from the human race
Out in the country Before the breathin' air is gone
Before the sun is just a bright spot in the nighttime
Out where the rivers like to run
I stand alone and take back somethin' worth rememberin' Whenever I feel them closing in on me
Or need a bit of room to move
When life becomes too fast, I find relief at last
Out in the country
Before the breathin' air is gone
Before the sun is just a bright spot in the nighttime
Out where the rivers like to run
I stand alone and take back somethin' worth rememberin' Before the breathin' air is gone
Before the sun is just a bright spot in the nighttime
Out where the rivers like to run
I stand alone and take back somethin' worth rememberin'
Before the breathin' air is gone
Before the sun is just a bright spot in the nighttime
Out where the rivers like to run
I stand alone and take back somethin' worth rememberin' Before the breathin' air is gone
Before the sun is just a bright spot in the nighttime
