

# Hungry

## Rob Bailey & The Hustle Standard

Look out, look out, look out uhh  
(back, back, back, back...)

I'm gonna carry this shit on my fuckin' back  
(back, back, back, back...)  
I'm gonna carry this shit on my fuckin' back

I'll sleep, when I'm dead, won't even catch my breath  
And I know, the weight of, the world can't crush my chest  
I'll work 'til I'm dead, I'll work 'til I'm dead  
I'll work 'til I'm dead, and then I'll do it all again

It's not because of that, it's not because of money  
Works in my blood, and I kill cause I'm hungry  
I kill cause I'm hungry  
I kill cause I'm hungry

I'm gonna carry, I'm gonna carry this, I'm gonna carry this shit on my fuckin' back

I'm gonna carry, I'm gonna carry this, I'm gonna carry this shit on my fuckin' back  
(back, back, back, back...)  
I'm gonna carry this shit on my fuckin' back  
(back, back, back, back...)  
I'm gonna carry this shit on my fuckin' back

I stand, with both arms, folded, under my chest  
'Cause I know, I won't stop, 'til I'm the last one left  
Fight 'til I'm dead, eat 'til I'm fed  
Never gonna stop 'til I catch my breath  
Fight 'til I'm dead, I eat 'til I'm fed  
And then I'll do it all again

It's not because of that, it's not because of money  
Works in my blood, and I kill cause I'm hungry  
I kill cause I'm hungry  
I kill cause I'm hungry

I'm gonna carry, I'm gonna carry this, I'm gonna carry this shit on my fuckin' back  
I'm gonna carry, I'm gonna carry this, I'm gonna carry this shit on my fuckin' back  
(back, back, back, back...)

I'm gonna carry this shit on my fuckin' back  
(back, back, back, back...)  
I'm gonna carry this shit on my fuckin' back

Focus on my own  
Every day will test me  
Nobody will ever fucking catch me  
I live to be the best  
This is all I got  
I ignore the pain 'cause the pain will never stop  
You're better than this, I'm better than this  
You're better than this, I'm better than this  
You're bigger then this, I'm better than this  
You're bigger then this, I'm better than this  
You're bigger then this, You're bigger then this  
I'm better than this, I'm better than this  
I'm better than this, I'm better than this  
I'm better than this, I'm bigger than this.....

It's not because of that, it's not because of money  
Works in my blood, and I kill cause I'm hungry  
I kill cause I'm hungry  
I kill cause I'm hungry

It's not because of that, it's not because of money  
Works in my blood, I kill cause I'm hungry  
I kill cause I'm hungry  
I kill cause I'm hungry

Look out!  
I'm gonna carry this shit on my fuckin' back  
I'm gonna carry this shit on my fuckin' back  
I'm gonna carry this shit on my fuckin' back  
I'm gonna carry this  
I'm gonna carry this..  
I'm gonna carry it, I'm gonna carry this shit on my fuckin' back  
On my fuckin' back  
On my fuckin' back
