

Tattoos on This Town

Jason Aldean

There's still black marks on that county road
Where we drag raced our pick ups
And Mustangs
And weathered on the summer rain
And to this day up on that overpass
Even underneath the new paint
You can still see
Allie will you marry me? Take a ride
Look around
And there ain't no doubt It sure left it's mark on us
We sure left our mark on it
We let the world know we were here
With everything we did
We laid a lotta memories down
Like tattoos on this town
There's still a rope burn on that old branch
That hangs over the river
I still got the scar
From swinging our a little too far
There ain't a corner of this hallowed ground
That we ain't laughed or cried on
It's where we loved
Lived and learned a lotta stuff
It's everything we're made of It sure left it's mark on us
We sure left our mark on it
We let the world know we were here
With everything we did
We laid a lotta of memories down
Like tattoos on this town
Like tattoos on this town
Everywhere
It's were we are
It hits me right
In my heart It sure left it's mark on us
We sure left our mark on it
We let the world know we were here
With everything we did
We laid a lotta memories down
But we'll always be hangin' round
Like tattoos on this town
Like tattoos on this town
