

# Slot Machine

## Color Theory

Maybe tonight  
Maybe not for awhile  
The odds are not that high  
On any one day  
But I know our luck too well  
To just walk away

Maybe tonight  
Maybe not for awhile  
It's not gambling when you know  
You're going to win  
When you and I spend time  
The reels start to spin

Then we're busy doing nothing  
Immersed in a boring routine  
The tiniest readjustment  
And like a slot machine  
The magic is back  
We're like a slot machine  
That always pays back

Maybe tonight  
Maybe not for awhile  
You know we'll strike it rich  
Eventually  
Just have a little faith  
In our chemistry

And just as I start to wonder  
When payoffs are far and between  
We can't shake the spell we're under  
Then like a slot machine  
It's cherries and bells  
We're like a slot machine  
And everything's well

The one thing in my life  
That always holds true  
I hit the jackpot when

I hooked up with you
