How we stop the black panthers?

Ronald Reagan cooked up an answer

You hear that?

What Gil Scott was hearin'

When our heroes and heroines got hooked on heroin.

Crack raised the murder rate in DC and Maryland

We invested in that it's like we got Merrill Lynch

And we been hangin' from the same tree ever since

Sometimes I feel the music is the only medicine

So we cook it, cut it, measure it, bag it, sell it

The fiends cop it

Nowadays they cant tell if that's that good shit

We ain't sure man

Put the CD on your tongue yeah, that's pure man.

Our father, give us this day our daily bread ...give us these days and take our daily bread,
See I done did all this ole bullshit
And to atone I throw a little somethin', somethin' on the pulpit.
We took that shit, measured it and then cooked that shit
And what we gave back was crack music
And now we ooze it through they nooks and crannies
So our mama's ain't got to be they cooks and nannies
And we gonna repo everything they ever took from Grammy
Now the former slaves trade hooks for Grammys
This dark dixon has become America's addiction those who ain't even black use it.
We gon' keep baggin up this here crack music.
