

Better Off Dead

New Found Glory

[Verse 1]

Ash his heart onto the ground
Pull his guts out by frustration
Be careful you might kill him

[Chorus 1]

Just because he can't hear what you say
Doesn't mean that he's not listening
If you listen to your words
He might like what you say

[Verse 2]

And I'm sure that you've been happy
Happy with your role
You've been looking up to him
As if you've forgotten of your own life
Forgotten of your own face
Burn and start again

[Chorus 1]

[Chorus 2]

On my own again, that's what she said
I'm leaving you tomorrow but she already left
She already left me [x2]

[Bridge]

It's your own life, live it for yourself
It's your own life, live for your...

[Chorus 1]

[Chorus 2]
