

Sober Saturday Night (feat. Vince Gill)

[Chris Young](#)

I feel terrible, sunlight's hurting my eyes
So I pull my shades and make my place as black as night
I feel miserable, and I'm missing you and me
'Nother Sunday morning all alone underneath these sheets
No I'm not hungover it's true, but I'm
still not over you
All messed up, all strung out
I was sitting at home, breaking down
Not out there getting high, underneath some neon lights
Ain't no whiskey strong enough to make things right
I'm just getting over another sober Saturday night
Besides the pain, I don't feel a thing
When my buddies call me up
I just let it ring
No I'm not hungover it's true, but I'm still not over you
All messed up, all strung out
I was sitting at home, breaking down
Not out there getting high, underneath some neon lights
Ain't no whiskey strong enough to make things right
I'm just getting over another sober Saturday night
No I'm not out there getting high, underneath
some neon lights
Ain't no whiskey strong enough to make things right
I'm just getting over another sober Saturday night
