

I See Your Smile

Gloria Estefan

I, get a little tongue twisted
Every time I talk to you
When I see you And I'm so glad that you just missed it
The way I stared
To memorize your face. To kiss you in my mind
Love you all the time Chorus:
'Cause when I close my eyes
I still can see your smile
It's bright enough to light my life
Out of my darkest hour
Please believe it's true
When I tell you I love you
I've taken too many chances
Searching for the truth in love
That's in my heart Tell me if I made the wrong advances
Tell me if I've made you feel ashamed
'Cause I know I have to do this
Would you hold my hand right through it Chorus:
'Cause when I close my eyes
I still can see your smile
It's bright enough to light my life
Out of my darkest hour
Please believe it's true
When I tell you I love you
I had to let you know
Just what would happen
Yes, I had to let
You know the truth
I know I've got to do this
Would you hold my
Hand right through it
Would you Repeat Chorus I know this
Is true when I
Tell you I love you
