

Consequences

Camila Cabello

[Verse 1]

Dirty tissues, trust issues
Glasses on the sink, they didn't fix you
Lonely pillows in a strangers bed
Little voices in my head
Secret keeping, stop the bleeding
Lost a little weight because I wasn't eating
All the souls that I can't listen to, to tell the truth [Chorus 1]
Loving you was young, and wild, and free
Loving you was cool, and hot, and sweet
Loving you was sunshine, safe and sound
A steady place to let down my defenses
But loving you had consequences

[Verse 2]

Hesitation, awkward conversation
Running on low expectation
Every siren that I was ignoring
I'm paying for it [Chorus 1]
Loving you was young, and wild, and free
Loving you was cool, and hot, and sweet
Loving you was sunshine, safe and sound
A steady place to let down my defenses
But loving you had consequences

[Chorus 2]

Loving you was dumb, dark and cheap
Loving you still takes shots at me
Loving you was sunshine, but then it poured
And I lost so much more than my senses
'Cause loving you had consequences
