

# Nobody Does It Like You

Selena Gomez

You're my bad boy fairytale, Prince charming with the dark side  
I wanna be your bad girl, You bring out my wild side  
Your eyes, Your lips, Your touch, His talk, Sadistic rush, Your sexy kinda swag  
The best I've ever had  
Nobody, nobody, no-nobody, nobody, nobody does it like you  
Nobody, nobody, no-nobody, nobody, nobody does it like you  
You got me feeling so caught up but I'm loving all the crazy things you make me do  
Nobody, nobody, no-nobody, nobody, nobody doe-doe-doe  
No, I can't go back to the way it was, to the way it was, No I can't go back, no  
I can't go back to the way it was, to the way it was, No I can't go back, no  
I can't go back to the way it was, to the way it was, No I can't go back  
You're my bad boy fairytale, My rebel with a halo  
You hit me like a hurricane And I can never say no  
Your mind, Your hands, Your voice, The way you make me yours  
Your sexy kinda swag, The best i've ever had  
Nobody, nobody, no-nobody, nobody, nobody does it like you  
Nobody, nobody, no-nobody, nobody, nobody does it like you  
You got me feeling so caught up but Im loving all the crazy things you make me do  
Nobody, nobody, no-nobody, nobody, nobody doe-doe-doe  
No, I can't go back to the way it was, to the way it was, No I can't go back, no  
I can't go back to the way it was, to the way it was, No I can't go back, no  
I can't go back to the way it was, to the way it was (to the way it was) I wanna be a bad girl,  
You bring out my wild side  
I wanna be a bad girl, You bring out my dark side  
Nobody, nobody, no-nobody, nobody, nobody does it like you  
Nobody, nobody, no-nobody, nobody, nobody does it like you  
You got me feeling so caught up but Im loving all the crazy things you make me do  
Nobody, nobody, no-nobody, nobody, nobody doe-doe-doe  
No I can't go back to the way it was, to the way it was, No I can't go back, no  
I can't go back to the way it was, to the way it was, No I can't go back, no  
I can't go back to the way it was, to the way it was (to the way it was)  
I wanna be a bad girl, You bring out my wild side
