

Let It Be Me

Kenny Rogers & Dottie West

I bless the day I found you
I want to stay around you
And so I beg you, let it be me Don't take this Heaven from one
If you must cling to someone
Now and forever, let it be me Each time we meet love
I find complete love
Without your sweet love
What would life be?
So, never leave me lonely
Tell me you'll love me only
And that you'll always, let it be me
