

# Up Above My Head

## The Wood Brothers

Up above my head, up above my head  
I hear music in the air  
Up above my head I hear music in the air  
Up above my head, up above my head  
I hear music in the air  
Up above my head I hear music in the air  
Up above my head I hear music in the air  
I really do believe, I really do believe  
There's a joy somewhere

Up above my head, up above my head  
I hear singing everywhere  
Up above my head, up above my head  
I hear singing everywhere  
Up above my head I hear singing everywhere  
I really do believe, I really do believe  
There's a joy somewhere

All in this room, all in this room  
I hear music in the air  
All in this room, all in this room  
I hear music in the air  
All in this room I hear music in the air  
I really do believe, I really do believe  
There's a joy somewhere

Up above my head I hear music everywhere  
Up above my head I hear music everywhere  
Up above my head I hear music everywhere  
I really do believe, I really do believe  
There's a joy somewhere

Up above my head I hear music everywhere  
Up above my head I hear music everywhere  
Up above my head I hear music everywhere  
I really do believe, I really do believe

There's a joy somewhere
