

Can't Stop Dancin'

Becky G.

(Hoo!) The lights are shining like the sun out tonight
(Hoo!) Just keep your body moving how I like
(Hoo!) Oh yeah the music feels like paradise
(Hoo!) Can't get any better, no
(Hoo!) I wanna stay right in this moment for life
(Hoo!) Baby treat me wrong, treat me right Ay ay ay, aye
I just can't stop dancin'
Ay ay ay, aye
They don't wanna jinx it
So don't let go, let go of me
Don't let go, let go of me
Ay ay ay, aye
I just can't stop dancin' Again now (ey!)
Spin around now (ow!)
Down now (ow!), to the floor now (ow!)
(Hoo!) Your mind's just going places I can't see you
(Hoo!) That's for the let's me know this is real
(Hoo!) And I won't stop you no I like it there
(Hoo!) You can even go further babe
Cause nothing's forbidden
Don't scare, no worries
Once I'm there, all is forgiven
So be prepared
To come and push up on my... Ay ay ay, aye
I just can't stop dancin'
Ay ay ay, aye
They don't wanna jinx it
So don't let go, let go of me
Don't let go, let go of me
Ay ay ay, aye
I just can't stop dancin'
Again now (ey!)
Spin around now (ow!)
Down now (ow!), to the floor now (ow!) Believe it, I feel it
It's in the air
Although you can't see it you know it's there
My heart keeps on racing, in overdrive
Once the music hits my body I feel so alive
And it's alright
It's got me like... Ay ay ay, aye
I just can't stop dancin'
Ay ay ay, aye

They don't wanna jinx it
So don't let go, let go of me
Don't let go, let go of me
Ay ay ay, aye
I just can't stop dancin' Ay ay ay, aye
I just can't stop dancin'
Ay ay ay, aye
I don't wanna jinx it
So don't let go, let go of me
Don't let go, let go of me
Ay ay ay, aye
I just can't stop dancin'
