

# Without You (feat. Sandro Cavazza)

Avicii

You said that we would always be  
Without you, I feel lost at sea  
Through the darkness, you'd hide with me  
Like the wind, we'd be wild and free  
You said you'd follow me anywhere  
But your eyes tell me you won't be there  
I've gotta learn how to love without you  
I've gotta carry my cross without you  
Stuck in the middle, and I'm just about to  
Figure it out without you  
And I'm done sitting home without you  
Fuck, I'm going out without you  
I'm gonna tear this city down without you  
I'm going Bonnie and Clyde without you  
Now I'm running away, my dear  
From myself and the truth I fear  
My heart is beating, I can't see clear  
How I'm wishing that you were here  
You said you'd follow me anywhere  
But your eyes tell me you won't be there  
I've gotta learn how to love without you  
I've gotta carry my cross without you  
Stuck in the middle, and I'm just about to  
Figure it out without you  
And I'm done sitting home without you  
Fuck, I'm going out without you  
I'm gonna tear this city down without you  
I'm going Bonnie and Clyde without you
