

# Bittersweet

## Big Head Todd & The Monsters

A little light looks through her bedroom window  
She dances and I dream, she's not so far as she seems  
Of brighter meadows, melting sunsets  
Her hair blowing in the breeze  
And she can't see me watching  
And I'm thinking love...  
Love...  
Love...  
Love...

It's bittersweet  
More sweet than bitter  
Bitter than sweet  
It's a bittersweet surrender

It's bittersweet  
More sweet than bitter  
Bitter than sweet  
It's a bittersweet surrender

I said I'm older now  
I work in the city  
We live together  
But it's different than my dream  
Morning light fills the room. I rise  
She pretends she's sleeping  
Are we everything we wanted?  
And I'm thinking love...  
Love...  
Love...  
Love...

It's bittersweet  
More sweet than bitter  
Bitter than sweet  
It's a bittersweet surrender

It's bittersweet  
More sweet than bitter  
Bitter than sweet

It's a bittersweet surrender

I know we don't talk about it  
We don't tell each other  
All the little things that we need  
We work our way around each other  
As we tremble and we  
As we tremble and we bleed  
As we tremble and we  
As we tremble and we bleed

It's bittersweet  
More sweet than bitter  
Bitter than sweet  
It's a bittersweet surrender

It's bittersweet  
More sweet than bitter  
Bitter than sweet  
It's a bittersweet surrender
