Jump

Skylar Grey

Drunk in the woods, up in space
And wards away from the day
Don't wanna feel anything

But music in my veinsAll I wanna do is jump, jump, jump

All I wanna do is jump, jump, jump

All I wanna do is jump, jump, jump

All I wanna do is jump, jump, jumpHigh on the night, fly away

Lost in the echos and pace

Don't wanna feel any pain

Let all my moons be erased

All I wanna do is jump, jump, jump

All I wanna do is jump, jump, jumpNo fear I'm floating

No fear I'm floating
